

HOW TO **DISPENSE FUEL** AT THE DISTRICT GOVERNMENT FUELING FACILITIES

WIRELESS FUELING

Step 1:
Lift the nozzle from the dispenser.

Step 2:
Turn the dispenser handle to the "On" position.

Step 3:
Insert the nozzle in the fuel tank. Press the green button on the hose module.

Step 4:
Ensure that the fuel tag is within one inch of the hose module and begin fueling.

FUELING WITH A KEY FOB

Step 1:
Swipe the key fob on the black strip located on the right side of the terminal.

Step 2:
Press "1" to select the option to fuel your vehicle.

Step 3:
Enter the vehicle ID # and press enter.

Step 4:
Enter the pump # and press enter.

Step 5:
Enter the odometer reading and press enter.

Step 6:
Begin fueling
